## International Update

"Restoring the faith of the nations"

### Cuba a nation in Revival

"YAGUAJAY SCHOOL OF MINISTRY"

*Pastors from South Eastern Cuba*

Special thanks to our new beloved friends, Rev. Saul Rodriguez, Pastor Jose Jerandy who hosted our first Cuban School of Ministry. Deep appreciation for the ministry of Rev. Donato Perra, without him, the breakthrough never happens. We had never met these men prior who welcomed our team and prepared the way for a packed house of pastors from South Eastern Cuban.

"God's Presence overtook us from the opening session and impacted us with eternal purpose and plan."

**If God can change a man....God can change a nation."**

*Unstoppable Jesus empowers pastor that will not be denied the presence of God.*

### The Heavens are open over Cuba

We were pleasantly surprised of the passion, zeal and hunger for God in the pastors. We stood humbled to witness deep hunger to be used by God amidst some extremely difficult natural circumstances.

*"God....Something has to happen to us"*

**"Spiriutal Impacto" ....Spiritual Impact by God changes lives that can be used by God to change a nation."**

The door is open now, the future no one knows. Many American Ministries are answering the call, the needs are overwhelming. Your gifts sponsored these leaders as you can see over 200 on the closing day Anointing service dedicating and commissioning them for their ministries.

## “School of Ministry Closing Night Celebration”

*Closing Night Celebration Holguin School of Ministry*

Celebration and excitement built throughout the week and God gave us an evening out in the church grounds in the open air where 1500 came from the highways and byways. Keep in mind; we were not permitted to print any literature promoting any type of Christian service. The SOM, public meetings were all promoted only by the word of mouth.

## La Plaza Open Air Service

*One Night Open Air Public Ministry*

“Graced by God's presence and miracle working power...He proved who He is again.

One night service was celebrated by 3500 Cubans. I can tell you everyone knew God was abiding in that place. Salvation and healings by the hundreds. The Demotte's and I prayed until about 11:30 that night after the service was over.

**Psalm 2:8 “Ask of Me, and I will give you The nations of the earth for your inheritance.”**

**An unstoppable blessing is upon Cuba right now. God Himself has chosen to pour out His Spirit upon the nation, especially in the last few years!**

**1 Cor. 16:9 “For a great effectual door is open unto me, and there are many adversaries.”**

**These words of the Apostle Paul over 2000 years ago are true today. The door is open for a season, just like it opened for a season in Russia, then closed again. We must strike while the iron is hot! God might be calling you to**

**go minister in Cuba with us.**

**“Once I was blind and now I can see”**

For the last few years across Cuba revival is obvious. Thousands are coming to Christ. It is God's timing for this Island nation. There is a desperate need for teaching and training of pastors. The need is overwhelming and so huge you could spend the rest of your life there and never meet the needs. Pastors are in the shortfall, young believers are pastoring church that just came to the Lord a couple years ago, simply because seasoned men and women are not there as much as are needed.

God sent them to Cuba for such a time as this. They came filled with Covenant Power and ministered in great strength and conviction. Cuban Pastors were so thankful for the challenges they brought. The anointing on their lives and ministry led the pastors into deeper marriages, families and ministries. They brought a new and fresh dimension to the School of Ministry.

*Stephanie DeMott Praying for troubled child*

The Dermott's ministry is a seasoned, mature and powerfully anointed ministry. God has used them in many nations for the past 30 years. But NOW the Lord is sending them to churches across America for weekend Marriage Breakthroughs and men's and women's retreats as a couple or for special men's or women's retreat. Their life is their testimony; God's hand is upon them. Pastors, you can contact them directly through their web site or contact our ministry and we can connect you. Your marriages will never be

the same.

*She literally left her crutches behind!*

The meeting was closed and this women in the pink sweater, who had been on these crutches for 6 years, left them on the ground and walked away! We stopped her asked her what to do with them, she said, "Throw them in the river"
