International Update

"Restoring the faith of the nations"

The Church in Cuba is not sad...rather very Glad."

FIRST SESSION in the opening morning, the meeting exploded as Pastor Bryan Davenport, Vancouver, WA, releases a prophetic word I Kings 18: 44 "A cloud as small as a man's hand is rising from the sea." As Elijah prophesied the rains came. An overpowering presence of the Lord

"San Jose, Cuba SCHOOL OF MINISTRY"

Pastor Tom Arnold, LaSalle, IL, Opens the San Jose School of Ministry with an overwhelming welcome from 500 Cuban Pastors. The Church in Cuba is radiant with hope and filled with enthusiasm. They received the word with gladness.

filled the auditorium with deep BREAKTHROUGH intercession for over thirty minutes, truly an unstoppable move of God.

REPRESENTATIVE NATIONAL REPENTANCE

Pastor Bryan Davenport and key national leader pray for each other as two nations unite under the banner of Jesus Christ!

WE ANOINTED THEM FOR SERVICE and asked for our forgiveness.

God began to move on the hearts of these national leaders

It was so humbling to experience a key national Christian leader ask for our forgiveness as a nation. We stood before each other as broken men and women of nations only 90 miles apart in the physical sense, but millions of miles apart philosophically.

Unity in Christ only possibility, there is no other way. Even now as the doors of change are open, ideology and philosophical difference are huge. The only place we as Christian leaders and national leaders is the name and purposes of Almighty God.

THEY TAUGHT US TO HATE YOU!

One leader said, “THYE TAIGHT US TO HATE YOU.... They taught us you were the enemy and were the cause of our problems.”

Pastor Arnold asked them to forgive us as a nation as the church for not responding to their needs as a people. We were so close but so far away we didn't even pray for you.

Stepping in to the Presence

STEPPING INTO THE POOL!

John 5:1 The angel came down and stirred the waters at a **CERTAIN TIME....**" The crowd pressed toward the front and grabbed a hold of God for their nation. Bryan said, "It was like the heat of a sauna, with hundreds of Nationals dedicating their lives for the salvation of Cuba.

THIS IS CUBA'S TIME

DEMONIZED RED DRESSED LADY ALSO HAD TUMORS ON HER THYROID. Returned the next night whole, communicating and her he right mind.

Demonized Women totally changed. You can see her before and after , when she came back the following night. God help our unbelief.

A weeping mother testifies of her baby born with cureved legs, no arches in her feet. She testifies that God straightened his legs miraculously. Though these miracles are hard to prove it was a tremendous blessing to have a MD, medical doctor to review them and verify that tumors were gone, hearing restored and many others.
