## International Update

"Restoring the faith of the nations"

### Casa de Mas is ours!

**Communism and Socialism have failed for Cuba, people are starving throughout the Island.**

*I begin with great thanksgiving to a very special friend who made the initial purchase possible. With his initial gift of \$20,000.00 we were able to cash purchase thee MAS House outright.*

*This is a FREE Christian meal center for the elderly. As far as we know the FIRST of its kind in all of Cuba. We must pray.*

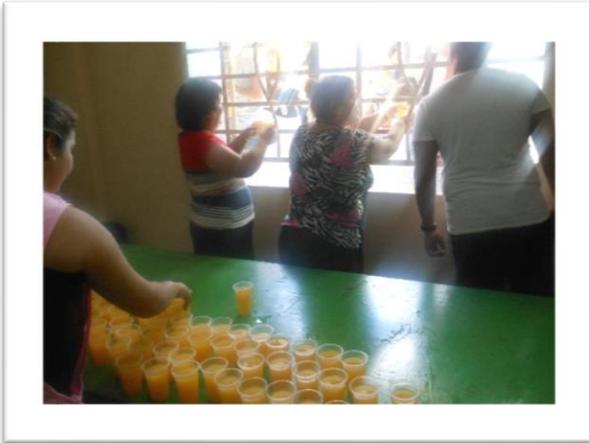

**1 John 3:17** <sup>17</sup>If anyone has material possessions and **sees a brother** or sister **in need** but has no pity on them, how can the love of God be in that person?

**We will prepare daily meals for the needy and especially the elderly. Our goal is to open feeding 50 people per day**

# Caring is Sharing!

**THE DOOR IS OPEN NOW,  
THE FUTURE NO ONE  
KNOWS, ONLY GOD!**

**Renovations are underway now. We need an additional \$20,000.00 USD to renovate and equip Casa de Mas with a new kitchen, tables, chairs and cooking utensils to get started.**

**Debbie and I are so blessed....to have you as friends for life and partners in ministry, Cuba would not be possible without you.**

**Help us Help them. Please consider partnering with us to deliver goodness and mercy to those who need it.**

**Please be conscious and prayerful for Cuba. The people are truly suffering in everyday life. The government food rationing program is only a sufficient supply for about two weeks. When your rations are, complete people must buy wherever they can for three times the price. When you are only paid 20.00 USD per month it takes a miracle every month just to feed your family.**

The picture looks funny, but this kind gentleman feeds his family by taxiing people throughout the day. The TIMING is right; this will be Cuba's finest hour in the next ten years. We are so thankful for the open doors that God has given us.
