

# Faith of the Nations

## International Update

"Restoring the faith of the nations"

**Fidel Castro has died.**

**Now is the time for Cuba!**

**We are thankful to be one of the ministry that God has chosen to have an input at this critical times. Yes, the people are suffering greatly, they lack the essentials of life. Communism and socialism have failed, without question.**

*Special thanks to our new beloved friends, Rev Moises and Pastor Yosnier Vinals, leaders in Guanabacoa, Havana Cuba. who hosted our third Cuban School of Ministry. To you we have eternal thanks!*

*If God can change a man....He can change a nation. This was our message to these Cuban nationals. Now they are in a period of great transition in the heavens and here on earth. We must pray.*

**The heavens are at war today.**  
Dan. 4:17 "God rules in the affairs of men and gives the kingdoms to whomever He chooses."

**There is a place WHERE ANGELS WAR in the heavenly realms where the destiny of nations remain in the balance**

---

*The Future of Cuba is in these hands!*

---

**Unstoppable Blessing is upon Cuba right now.**

---

*Psalm 2:8 "Ask of Me, and I will give you The nations of the earth for your inheritance."*

---

Pastor Bryan Davenport

## **“GUANABACOA SCHOOL OF MINISTRY”**

God give us one man, one woman who will dare to believe like Daniel believed and we will win Cuba to Christ! These were the bold and prophetic words of Bryan Davenport opening night.

**BELIEVE THE PROMISE and ....CUBA SHALL BE SAVED FROM DESTRUCTION AND REVALUTION.**

**Heavens are open over Cuba**

**THE DOOR IS OPEN NOW, THE FUTURE NO ONE KNOWS, ONLY GOD!**

The nation is in transition and the outcome will be determined in the heavens before we see it here on earth. Prayer will determine the outcome. Eph. 6:12

**Believe the promises and ensure the blessings of God upon this communist nation**

We must pray for the peace and future of Cuba. Thousands were murdered under this ruthless communist dictator and great healing and forgiveness must take place in this small island nation. The people are bitter, angry and confused. Jesus is the only hope for the future.

**The gospel is going forth in great power. Thousands are being saved and coming to the cross.**

**Please be conscious and prayerful for Cuba. The people are truly suffering in everyday life. The government food rationing program is only a sufficient supply for about two weeks. When your rations are, complete people must buy wherever they can for three times the price. When you are only paid 20.00 USD per month it takes a miracle every month just to feed your family.**

### Joe and Stephanie DeMott

**This precious young boy died very young. God brought him back to life. He has an incredible anointing upon his life for heavenly dreams and visions.**

### Pastor Tom Arnold

The Holy Spirit put a great and mighty challenge before the people. What must we do to be used of God and ensure Cuba's safety and salvation. He pierced the darkness of lack and poverty with a message that challenged the people to seek God for His supernatural provision,

The TIMING is right; this will be Cuba's finest hour in the next ten years.

We are so thankful for the open doors that God has given us. An effectual, working door has been opened unto us, blessed be the name of the Lord.

### 1 Corinthians 16:9

**“For a great door and effectual is opened unto me, and *there are many adversaries.*”**

## Here is a summary of what the real Cuban people have experienced over the past 50 years.

Carlos Eire is an author and the T.L. Riggs Professor of History and Religious Studies at Yale University.

- He turned Cuba into a colony of the Soviet Union and nearly caused a nuclear holocaust.
  - He sponsored terrorism wherever he could and allied himself with many of the worst dictators on earth.
  - He was responsible for so many thousands of executions and disappearances in Cuba that a precise number is hard to reckon.
  - He brooked no dissent and built concentration camps and prisons at an unprecedented rate, filling them to capacity, incarcerating a higher percentage of his own people than most other modern dictators, including Stalin.
  - He condoned and encouraged torture and extrajudicial killings.
- He forced nearly 20 percent of his people into exile, and prompted thousands to meet their deaths at sea, unseen and uncounted, while fleeing from him in crude vessels.
- He claimed all property for himself and his henchmen, strangled food production and impoverished the vast majority of his people.
  - He outlawed private enterprise and labor unions, wiped out Cuba's large middle class and turned Cubans into slaves of the state.
  - He persecuted gay people and tried to eradicate religion.
  - He censored all means of expression and communication.

He established a fraudulent school system that provided indoctrination rather than education,

and created a two-tier health-care system, with inferior medical care for the majority of Cubans.

and superior care for himself and his oligarchy, and then claimed that all his repressive measures

were necessary to ensure the survival of these two ostensibly "free" social welfare projects.

He turned Cuba into a labyrinth of ruins and established an apartheid society in which millions of foreign visitors enjoyed rights and privileges forbidden to his people.

He never apologized for any of his crimes and never stood trial for them.

**11 MILLION CUBANS LIVE IN HOPE THAT GOD WILL POUR OUT HIS BLESSINGS UPON THEM.**

Debbie and I are so blessed....to have you as friends for life and partners in ministry, Cuba would not be possible without you. I gave thanks and prayed for you every day in Cuba. A moment didn't go by that I didn't think of you. We go and will continue to go, without you impossible.
